

HEALTH ATTESTATION - Collective Play Ground, Fall 2021

I agree to the following protective measures to keep our community safe and healthy:

- Unless their group mutually agrees to remove face coverings during park classes:
 - Adults wear face coverings at all times.
 - Children over 2 playing in close proximity will practice wearing a face mask.
- Adult and child(ren)'s temperatures will be taken at home before each class. If the adult and/or child(ren), or anyone in the household, has had a fever of 100.4 or higher within the past 72-hours, or any other Covid-19 symptoms, I will notify Collective Kind staff and we will remain home from class until everyone is fever-free for at least 72-hours OR we have negative Covid-19 test results.
- If anyone in the household is diagnosed with Covid-19 within 2-weeks of attending a class I will notify Collective Kind staff so the class group can, anonymously, be informed of this information.
- Fall Session 1 will be held outdoors except when they must be canceled due to extreme weather.
- Fall Session 2 through Spring Session 1 will be held indoors in spaces ventilated with fresh open air.

These protective measures aim to mitigate the potential risks of contracting Covid-19. Note that no in-person programming setting is immune from the possibility of spreading Covid-19. Although we will take protective measures to keep our community safe and healthy, please understand that an inherent risk of in-person attendance is the potential for the spread of germs and illness.

As parent(s)/guardian(s) of a child attending Collective Kind classes for in-person programming, please sign below indicating that you understand the risks associated with your attendance and that you assume all responsibility should a member of your family be exposed to or diagnosed with Covid-19 while your child attends Collective Kind classes:

Date: _____

Child's Name: _____

Signature: _____

Parent/Guardian name _____
